

PANIOLO MIRROR - 23 x 92

The Paniolo Mirror, a statement piece and not just an accent mirror, gracefully leans on delicate sculpted feet. Steam bent solid ash parts are adorned with a unique solid bronze hook and a small leather fitting to securely anchor the mirror to the wall. Elegantly at home in both contemporary and traditional interiors, the Paniolo Mirror is available in four sizes as well as custom heights. Designed by Andrew Mau for O&G.
