

AMBOY ACCENT LAMP

Shown: Gilt Stain on Ash

The Amboy Collection takes inspiration from the sturdy and refined forms of hand thrown utilitarian pottery once common up and down the Eastern Seaboard. The body of each Amboy Lamp is turned from solid ash and available in the full range of O&G stain colors with tumbled brass components and shades in fine quality natural linen. Each of the four available sizes are boldly proportioned, adding sculptural and textural interest to any space.

UL LISTED 6w Incandescent bulb included.
