

## WAYLAND HALF-BOW STOOL - 29"

*Named for the distinct, short bow that outlines the backrest, the Wayland Half-Bow is a perfect 'elbows on the bar' seat. Beautifully sculpted and crisp, the Wayland Half-Bow provides back support with a distinctive low profile. The solid turned legs strike a solid stance and are braced with box stretcher construction.*

*Shown: Wayland Half-Bow Stool - 29" - Kelp Stain on Ash*
