

WIDE WAYLAND FAN-BACK STOOL with ARMS - 24"

Generous proportions include a full chair-sized seat and back rest. Elbow-height arms add an extra bit of comfort and function to our standard Wide Fan-Back Stool. Each hand sculpted arm is positioned for support and comfort. The sculpted saddle seat is beautiful and inviting, making it a perfect stool for camping out at a kitchen island or bar.

Shown: Wide Wayland Fan-Back Stool with Arms - Bayetta Stain on Ash
